Planning
Looking into the historical traces, what milestones have I achieved?
SubGoals Checklist
"Open the web broswer and start from the map",
"Search for 'CMU' on the map"
"Select the nearby restaurant and add filter '<50miles' "
"Choose the closest cafe and report the info"
Self-Checking
(Same Model)
(LLM-as-Judge)
1 2 3 4
Subgoal Progress at Step T
$\{sg_1 = 1, sg_2 = 1, sg_3 = 0, sg_4 = 0\}$
Have I completed the current subgoal?
1 2 3 4
Subgoal Progress at Step T+1
What future milestones should I achieve?
Next Step (Subgoal 4):
"Choose the closest cafe and report the info."
